This matter comes before the Public Service Commission of South Carolina (the Commission) on the August 30, 1995 Motion to Substitute Affiliate Corporations in Place of Parent Intervenor filed by American Communications Services, Inc. (ACSI). ACSI, according to its Motion, has filed for and was granted Intervenor status in this Docket. The Company requests that in lieu of it being named as a party, that the Commission substitute American Communication Service of Greenville, American Communication Service of Columbia, and American Communication Service of Charleston in its place as the intervening parties in this Docket.

The Commission has examined this matter and sees no reason why the request shouldn't be granted. The Motion to Substitute is therefore granted.

This Order shall remain in full force and effect until
further Order of the Commission.
